Notes:

1. The financial requirements for North America and Caribbean are for the operations in Belize, Canada, Dominican Republic, Trinidad and Tobago and United States of America.
2. The percentage funded is calculated using earmarked contributions pending the eventual allocation of broadly earmarked and unearmarked contributions.
3. Contributions are shown by the level of flexibility in the earmarking. Contributions earmarked to a situation within a country are classified as country level.
4. The broadly earmarked contributions listed are those which can potentially be used for North America and Caribbean due to their earmarking to a related situation or theme, or to the region. The total amount of the contributions is shown for donors who have contributed \$2 million and more.
5. The total amount of unearmarked contributions is shown for donors who have contributed \$10 million and more.
