Notes:

- The financial requirements for United States of America Reg Off include requirements for the operation's regular programme and the Venezuela Situation.
- The percentage funded (61%) and total funding amount (\$19,655,424) are indicative based on the methodology described above. This leaves an indicative funding gap of \$12,464,599 representing 39% of the financial requirements.
- Contributions to United States of America Reg Off are shown by the earmarking modality as defined in the Grand Bargain.
- Due to their earmarking at the region or sub-region, or to a related situation or theme, the other softly earmarked contributions listed are those which can potentially be used for United States of America Reg Off. Where a donor has contributed \$2 million or more, the total amount of the contributions is shown.
- Contributed without restrictions on its use, unearmarked funding allows UNHCR critical flexibility in how best to reach refugees and other populations of concern who are in the greatest need and at the greatest risk. Where a donor has contribution \$10 million or more, the total amount of the contribution is shown.
