1 Multi-year contributions are defined as those pledged for a period of 24 months or more. Contributions for future years which do not fit this definition are excluded.

2 Total estimated funds available for 2019 is \$4.685 billion as at 7 January 2020.

3 All dollar amounts are for activities with implementation in the year shown. They can include amounts acknowledged in past years.

4 The total represents the sum of multi-year contributions for activities with implementation in 2019 onwards.
