Notes:

1. The financial requirements for North America and Caribbean are for the operations in Canada, Dominican Republic, Trinidad and Tobago and United States of America.
2. The percentage funded (3%) and total funding amount (\$982,484) are indicative based on the methodology described above. This leaves an indicative funding gap of \$36,157,643 representing 97% of the financial requirements.
3. Contributions to North America and Caribbean are shown by the earmarking modality as defined in the Grand Bargain.
4. Due to their earmarking at the region, or to a related situation or theme, the other softly earmarked contributions listed are those which can potentially be used in North America and Caribbean. Where a donor has contributed \$2 million or more, the total amount of the contributions is shown.
5. Contributed without restrictions on its use, unearmarked funding allows UNHCR critical flexibility in how best to reach refugees and other populations of concern who are in the greatest need and at the greatest risk. Where a donor has contribution \$10 million or more, the total amount of the contribution is shown.
