X | Network Access Message: The page cannot be displayed

Explanation: The request timed out before the page could be retrieved.

Try the following:

- **Refresh page:** Search for the page again by clicking the Refresh button. The timeout may have occurred due to Internet congestion.
- **Check spelling:** Check that you typed the Web page address correctly. The address may have been mistyped.
- **Contact website:** You may want to contact the website administrator to make sure the Web page still exists. You can do this by using the e-mail address or phone number listed on the website home page.

If you are still not able to view the requested page, try contacting your administrator or Helpdesk.

Technical Information (for support personnel)

- Error Code 10060: Connection timeout
- Background: The gateway could not receive a timely response from the website you are trying to access. This might indicate that the network is congested, or that the website is experiencing technical difficulties.
