

# Refugees and asylum seekers in Agadez

June 2021

Niger has become a major hub for mixed movements northwards to Libya, Algeria and the Mediterranean while witnessing an increasing number of people fleeing Libya or being deported from Algeria on Nigerien territory.

UNHCR Niger operation has opened a new office in Agadez in 2017, scaling up its operational capacity to give a response to those in need of international protection within mixed migratory flows.

In response to the complex humanitarian and security situation in Libya, Niger is increasingly turning into an alternative space for protection, including for the asylum-seekers and refugees who fail to reach Europe.

## Operational Context

Niger is situated in a **geopolitically sensitive area linking the Sahara Desert with the Sahel, and West with Central Africa**. The country has become a major hub for mixed movements northwards to Libya, Algeria and the Mediterranean while at the same time witnessing an increasing number of people fleeing Libya or being deported from Algeria on Nigerien territory.

## Operational Strategy

UNHCR's main objective is to ensure that people in need of international protection have access to protection, receive assistance and have access to asylum. Therefore, UNHCR Niger invests in **the structural strengthening of the Nigerien asylum system** and implements **all the needed activities to support and assist beneficiaries in the region**. Moreover, UNHCR gives assistance to people under its mandate and aims to find durable solutions, such as resettlement, local integration, or voluntary return to the country of origin if the security conditions allow. Complementary legal pathways, such as family reunification, study visa or humanitarian evacuations are also examined.

As of 4 June 2021; UNHCR and its partners has identified and biometrically registered **1,231 individuals** in need of international protection. 89% of the population under UNHCR mandate in Agadez are Sudanese nationals. 53% of the entire population have a refugee status obtained in Niger or elsewhere while 47% are asylum seekers; 67% are men, 8% are women and 25% are children under the age of eighteen.

The most vulnerable are currently hosted in **6 guesthouses in Agadez** when they receive protection response and assistance while the other are hosted in the Humanitarian Centre built in the outskirt of the city.

UNHCR and its partners provide meals, water, sanitation, health, education and all services for each refugee and asylum seeker living in the guesthouses, the Humanitarian Centre, and the most vulnerable living in the host community

## Main Activities

### Protection

- UNHCR and its partner APBE conducted 118 awareness-raising sessions on a variety of topics, including peaceful coexistence, personal and environmental hygiene, the rules of the Humanitarian Centre, and measures to prevent the spread of COVID-19. These activities reached 290 individuals including 118 women living in the guesthouses and the Humanitarian Centre.
- UNHCR continues to strengthen a proactive cooperation with the regional authorities in Agadez managing to increase the presence of the competent authorities, notably the General Directorate of Civil Status, Refugees and Migration (DGEC-RM) / Ministry of Interior) responsible for Refugee Status Determination (RSD).
- UNHCR, IOM and the Government of Niger have signed a Memorandum of Understanding in 2017 on the identification and referral of persons of concern of information and assistance.

- Throughout the year 2021, 8,790 people of whom 6,315 Nigeriens (72%) were expelled from Algeria. Since the beginning of expulsions in 2018, 82,680 people, of whom 42,271 (57%) Nigeriens, have been expelled from Algeria.
- UNHCR Persons of concern (PoCs) continue to be expelled from Algeria. Among them, 36 persons that fall under its mandate have been taken in charge by UNHCR and 16 of them are still in Agadez where they receive international protection and assistance.
- In May 2021, UNHCR and its partners have identified 4 new cases of SGBV, 100% of cases have received psychosocial support and have been referred for medical and legal assistance.

UNHCR partners has conducted a focus group discussion for with men on the type of sexual and gender-based violence and a sensitization on child and early marriage for the benefit of 8 women.

- The partner APBE has proceeded to a distribution of dignity kits for the benefit of 83 child-bearing age women and girls that live in the Humanitarian Centre and the guesthouses N°2,3 and 4.
- In May 2021; 676 persons living with specific needs have been identified during registration and protection monitoring activities. 69 PoCs have received food assistance based on their vulnerabilities while 83 children newborns and babies have received nursing milk.

### Education

- UNHCR and its partner INTERSOS continue the implementation of education activities to support refugees, hence sessions on reading, writing and calculations are conducted daily. Most of the children hosted in the guesthouses in Agadez, once finalized transitional classes to learn French, are registered in the public education system fully integrating the host population.
- Moreover, the implementing partners INTERSOS and COOPI continue to provide unformal education and assistance to the minors hosted within the Humanitarian Centre, which are still not schooled, including minors under the age of 6. They have provided several sessions of introduction to mathematics, reading, drawing, motricity and sport activities, etc. In May 2021, COOPI organized 43 classes for the benefit of 137 persons while INTERSOS reached 1,627 individuals through 110 psychosocial sessions.
- The partner COOPI has organized 6 psycho-education sessions for 14 men and 26 women living at the Humanitarian Centre.
- COOPI also organized 173 sessions of play, recreational and cultural activities (card games, checkers, volleyball, soccer, gymnastics, etc.). These activities reached 198 people, including 76 women, 72 men, 31 girls and 19 boys.
- In addition, COOPI organized 10 sessions of music and dance activities. These activities were attended by 125 people including 44 men, 30 women, 32 girls and 19 boys. COOPI has also organised 19 session of art ant therapy for the benefit of 58 persons including 34 men, 11 women, 10 boys and 6 girls
- UNHCR, through its partners COOPI and INTERSOS, organized several awareness sessions on health (nutrition and child growth, malaria, diarrhea in children, ), peaceful coexistence, violence against children, violent games and the participation of unaccompanied minors in social cohesion activities and in various meetings. Through these activities COOPI has reached 155 persons while INTERSOS reached 125 persons.

### Health & Mental Health

- UNHCR Niger provides first and second medical assistance to all PoCs hosted in Agadez through the partnership with APBE. Medical consultations, medical referrals to public health structures, sensitization sessions on malaria preventive measures, family planning and general hygiene methods are provided on a regular basis. In May, APBE conducted 1,361 medical consultations; 80% of those consulted were refugees, among which 37 serious cases were referred to the regional hospital and 6 to the Mother and Child Health Center of Agadez.
- The implementing partner APBE also provides reproductive health services for women of childbearing age as well as malnutrition management services for children.
- APBE has conducted mass and individual awareness sessions on compliance with drug prescriptions, malaria prevention, family planning, food hygiene and prevention against the spread of COVID-19 at the hospital, the guesthouses and the Health Center of in the city of Agadez. Thus, 1015 refugees and members of the host community, including 520 women, 380 men, 30 girls and 85 boys have been reached.

### Food Security and Nutrition

- UNHCR Niger in Agadez provides PoCs within the as well as in the guesthouses with 3 meals per day. Specific dietary needs are taken in charge and followed-up by the implementing partners COOPI and APBE.
- During the month of May 2021, UNHCR, through its partners, has provided necessary meals for the entire PoCs population (1,231 individuals), namely an average number of 3,693 meals per day.

### Water, Sanitation, Shelter and NFIs

- UNHCR has constructed a built several kilometers outside of the city of Agadez. This facility was equipped with over 330 refugee housing units (RHU), WASH and latrines system, community spaces and offices for staff working on the site. Due to a massive fire occurred in January 2020, the 80% of refugee housing units has been destroyed or damaged. UNHCR has immediately reacted by relocating all the vulnerable households within 6 guesthouses in the city of Agadez in order to start the construction of new durable and semi-permanent structures and a permanent water pipeline supply.
- During the month of May 13 RHU has been installed and the construction of 36 semi-permanent houses in banco, out of the first 50, has started at the Humanitarian Centre.
- During the month of May, UNHCR population of concern in Agadez faces many difficulties related to water shortage due to the hot season and the increased need of water. Hence UNHCR and its implementing partner APBE has proceeded to the renewal of the hydraulic network of the Humanitarian Centre through the installation of new water storage tanks

### Community Empowerment and Self-Reliance

- UNHCR continues to work on the implementation of the new Food Strategy within the, to reinforce self-reliance through CBI (cash-based Intervention).
- UNHCR has reestablished several refugee engagement committees, such as Child Protection and Site Pacific Coexistence, within the Humanitarian Center as well as others have been established within the guesthouses in Agadez.

## Durable Solutions

- UNHCR Niger promotes access to solutions (asylum, readmission, repatriation, regularization of stay) for the different groups identified in the mixed movements. UNHCR Niger guarantee the follow-up of all cases of PoCs proposed for Resettlement or other Complementary Pathways in third countries: Preparation of files, eligibility procedures, request of laissez-passer to the Government for PoCs on departure, transfer to Niamey pre-departure, medical screening procedures, etc.
